

The Art of Collaboration

Chamber Music Rehearsal Techniques and Team Building

This book is an invitation for all who aspire to the highest level of ensemble artistry and wish to work more productively and joyfully within a musical ensemble. The concepts and techniques included help artists find their own unique vocabulary and tools to refine their music making process and learn how as a team to direct their group endeavors. The book offers a systematic approach to individual preparation for rehearsal, score study, planning and implementing a constructive and effective rehearsal, and the interpretive process. The authors address tension and conflict within groups, including strategies for working well together and creating an empathetic and healthy environment for rehearsals and performances.
